Section B: Investment Detail

1. Briefly describe the investment's return on investment, including benefits internal and external to the government and outcomes achieved or planned.
- The C-SHaRPS program intends to achieve the following five business goals to support the mission of the Census Bureau: Mitigate risks by automating HR business rules and processes for Schedule A employees; Improve communication between Schedule A applicants and employees and the Census Bureau; Provide data for Census Bureau managers to make better decisions and take required actions in the management of Schedule A employees; Reduce the burden on Schedule A applicants and employees; Focus the Census Bureau on mission critical tasks. The C-SHaRPS solution will achieve these goals by providing all capabilities to support the full spectrum of HR processes applicable to Schedule A employees, in alignment with the OPM HR Line of Business (LOB) Business Reference Model, by using a combination of existing and new systems.
